

A CONFIRMING RESOLUTION designating an "Economic Revitalization Area" under I.C. 6-1.1-12.1 for property commonly known as 4617 Industrial Road, Fort Wayne, Indiana 46825 (Classic Products Corporation).

WHEREAS, Common Council has previously designated and declared by Declaratory Resolution the following described property as an "Economic Revitalization Area" under Division 6, Article II, Chapter 2 of the Municipal Code of the City of Fort Wayne, Indiana, of 1974, as amended and I.C. 6-1.1-12.1, to wit:

Attached hereto as "Exhibit A" as if a part herein;

and

WHEREAS, said project will create 2 additional permanent jobs for a total additional annual payroll of \$54,960.00, with the average new annual job salary being \$27,480.00; and

WHEREAS, the total estimated project cost is \$545,000.00; and

WHEREAS, recommendations have been received from the Committee on Finance and the Department of Economic Development concerning said Resolution; and

WHEREAS, notice of the adoption and substance of said Resolution has been published in accordance with I.C. 6-1.1-12.1-2.5 and I.C. 5-3-1 and a public hearing has been conducted on said Resolution; and

WHEREAS, if said Resolution involves an area that has already been designated an allocation area under I.C. 36-7-14-39, The Fort Wayne Redevelopment Commission has adopted a Resolution approving the designation.

NOW, THEREFORE, BE IT RESOLVED BY THE COMMON COUNCIL OF THE CITY OF FORT WAYNE, INDIANA:

SECTION 1. That, the Resolution previously designating the above described property as an "Economic Revitalization Area" is

confirmed in all respects.

1 **SECTION 2.** That, the hereinabove described property is hereby
2 declared an "Economic Revitalization Area" pursuant to I.C. 6-1.1-
3 12.1, said designation to begin on the effective date of this
4 Resolution and continue for a one (1) period. Said designation
5 shall terminate at the end of that one (1) year period.

6 **SECTION 3.** That, said designation of the hereinabove
7 described property as an "Economic Revitalization Area" shall apply
8 to both a deduction of the assessed value of real estate and
9 personal property for new manufacturing equipment.

10 **SECTION 4.** That, the estimate of the number of individuals
11 that will be employed or whose employment will be retained and the
12 estimate of the annual salaries of those individuals and the
13 estimate of the value of redevelopment or rehabilitation and the
14 estimate of the value of the new manufacturing equipment, all
15 contained in Petitioner's Statement of Benefits are reasonable and
16 are benefits that can be reasonably expected to result from the
17 proposed described redevelopment or rehabilitation and from the
18 installation of the new manufacturing equipment.

19 **SECTION 5.** The current year approximate tax rates for taxing
20 units within the City would be:

21 (a) If the proposed development does not occur, the
22 approximate current year tax rates for this site would be
23 \$8.3194/\$100.

24 (b) If the proposed development does occur and no deduction
25 is granted, the approximate current year tax rate for the
26 site would be \$8.3194/\$100 (the change would be
27 negligible).

28 (c) If the proposed development occurs and a deduction
29 percentage of fifty percent (50%) is assumed, the
30 approximate current year tax rate for the site would be
31 \$8.3194/\$100 (the change would be negligible).

32 (d) If the proposed new manufacturing equipment is not

installed, the approximate current year tax rates for this site would be \$8.3194/\$100.

(e) If the proposed new manufacturing equipment is installed and no deduction is granted, the approximate current year tax rate for the site would be \$8.3194/\$100 (the change would be negligible).

(f) If the proposed new manufacturing equipment is installed and a deduction percentage of eighty percent (80%) is assumed, the approximate current year tax rate for the site would be \$8.3194/\$100 (the change would be negligible).

SECTION 6. Pursuant to I.C. 6-1.1-12.1, it is hereby determined that the deduction from the assessed value of the real property shall be for a period of ten (10) years, and that the deduction from the assessed value of the new manufacturing equipment shall be for a period of five (5) years.

SECTION 7. The benefits described in the Petitioner's Statement of Benefits can be reasonably expected to result from the project and are sufficient to justify the applicable deductions.

SECTION 8. For new manufacturing equipment, a deduction application must contain a performance report showing the extent to which there has been compliance with the statement of benefits form approved by the Fort Wayne Common Council at the time of filing.

SECTION 9. For real property, a deduction application must contain a performance report showing the extent to which there has been compliance with the Statement of Benefits form approved by the Fort Wayne Common Council at the time of filing. This report must be submitted to the Allen County Auditor's Office and the City of Fort Wayne's Department of Economic Development and must be included in the deduction application. For subsequent years, the performance report must be updated within sixty days after the end of each year in which the deduction is applicable.

SECTION 10. The performance report must contain the following

information:

- A. The cost and description of real property improvements and/or new manufacturing equipment acquired.
- B. The number of employees hired through the end of the preceding calendar year as a result of the deduction.
- C. The total salaries of the employees hired through the end of the preceding calendar year as a result of the deduction.
- D. The total number of employees employed at the facility receiving the deduction.
- E. The total assessed value of the real and/or personal property deductions.
- F. The tax savings resulting from the real and/or personal property being abated.

SECTION 11. That, this Resolution shall be in full force and effect from and after its passage and any and all necessary approval by the Mayor.
